ACADEMIC POSITIONS

Harvard University, Cambridge, MA.

Professor, 1998–2001.

Maria Moors Cabot Professor, 2001–present.

University of California, Berkeley, CA.

Professor, 1990–1998.

Princeton University, Princeton, NJ.

Professor, 1990–92. Assistant Professor, 1987–1990.

Institute for Advanced Study, Princeton, NJ.

Member, School of Mathematics, 1986–87.

Massachusetts Institute of Technology, Cambridge MA.

C.L.E. Moore Instructor in Mathematics, 1985–86.

EDUCATION

Harvard University, Cambridge MA.

Ph.D. in Mathematics, June 1985.

Institut des Hautes Etudes Scientifiques, Bures-sur-Yvette, France.

Visitor, Fall 1984. Research advisor, Prof. Dennis Sullivan.

Cambridge University, Cambridge England.

Herchel Smith Fellow, 1980–81. First, Mathematics Tripos Part II.

Williams College, Williamstown, MA.

B.A. 1980. Valedictorian, Summa Cum Laude, Highest Honors in Mathematics. Additional concentration in Physics.

ACADEMIC RECOGNITIONS

Member of the National Academy of Sciences, 2007.
Guggenheim Fellow, 2004.
Honorary Doctor of Science Degree, Williams College, 1999.
Fields Medal, 1998.
Fellow of the American Academy of Arts and Sciences, 1998.
Chancellor's Professorship, Berkeley, 1996-1998.
Miller Professorship, Berkeley, Fall 1994.
Salem Prize, 1991.
Presidential Young Investigator, 1988-1993.
Alfred P. Sloan Fellowship, 1988.
NSF Postdoctoral Fellowship, 1987-1990.
Alfred P. Sloan Doctoral Dissertation Fellowship, 1984-85.

SELECTED INVITED LECTURES

Nielsen Lecture, CTQM, Aarhus, Denmark, 2008.
Ziwet Lectures, University of Michigan, Ann Arbor, 2008.
Mathematische Arbeitstagung, Max-Planck-Institut, Bonn, 2007, 2003.
Hopf Lectures, Eidgenössische Technische Hochschule, Zürich, 2005.
Kolchin Lecture, Columbia University, New York, 2005.
Bowen Lectures, University of California, Berkeley, 2004.
Alaoglu Lecture, California Institute of Technology, Pasadena, 2003.
Namboodiri Lectures, University of Chicago, 2003.
AMS Ross Lecture, Boston, 2002.
Distinguished Lecture Series, Brown University, Providence, 2001.
AMS Colloquium Lectures, Washington DC, 2000.
Nevanlinna Colloquium, Helsinki, 1990 and 2000.
International Congress of Mathematicians, Berlin, 1998.
Zabrodsky Lecture, Hebrew University, Jerusalem, 1994.
Gergen Lectures, Duke University, Durham, 1994.
Keeler Lectures, University of Michigan, Ann Arbor, 1993.
International Congress of Mathematicians, Kyoto, 1990.
Whittemore Lectures, Yale University, New Haven, 1989.
New York – Soviet Academy Symposium, New York, 1988.

VISITING RESEARCH POSITIONS

Simons Professor, MSRI, Berkeley CA, February 2004.
Max-Planck-Institute für Mathematik, Bonn, Summers 2001—2007.

Institut des Hautes Etudes Scientifiques, Paris, Summers 1987–2001.
Université de Paris Sud, Orsay, Summers 1989, 1994.
MSRI, Berkeley CA, Spring 1989, 1995–1997, Summers 1998–2000, 2002.
École Normale Supérieure, Paris, Summer 1987.
MSRI, Berkeley, CA. Postdoctoral Fellow, Spring 1986.

ACADEMIC SERVICE

Fields Medal Selection Committee. International Congress of Mathematicians, Madrid, 2006.

Associate Editor. *Annals of Mathematics*, 1997–2002.

Associate Editor. *Journal of the American Mathematical Society*, 1997–2002.

Program Chairman. *Complex Dynamics and Hyperbolic Geometry*, MSRI, Berkeley, CA. January–May 1995.

OTHER EMPLOYMENT

IBM Watson Research Center, Yorktown Hts, NY.

Combinatorial research and computer programming, summers 1980-85. VLSI design problems: graph theory, logic synthesis, boolean minimization, sparse matrix processing.

PERSONAL DATA

Born 21 May 1958, in Berkeley CA. US Citizen.
